

# SILVERTEC CROP PROTECTORS

PROTECT.  
YOUR.  
CROP.

## EASY HEIGHT ADJUSTMENT

Quick pins for adjusting height and raising the divider for transport.

## DURABLE SKID PLATE

A wide sturdy skid plate is proven to handle the whatever the field throws at it.

## MINIMIZE TRAMPLING

Save 90% of the crop your tires would trample, that's a lot of dollars per acre!

## MOUNTS TO FIT YOUR SPRAYER

Bolt on mounts for many common sprayers. 11 models are available and more being added every year.

## NARROW MOUNTING BRACKET

New mounting brackets with curved guides, eliminates impact as grain flows around the axle.

## MOUNTS TO FIT YOUR SPRAYER

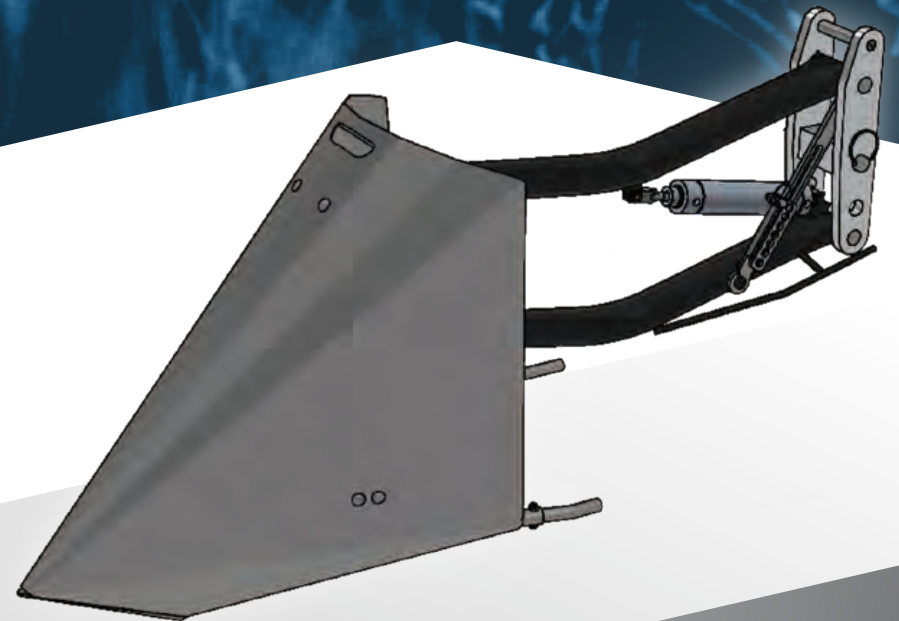

Bolt on mounts for many common sprayers. 11 models are available and more being added every year.

## EASY INSTALLATION

Level the mount, tighten the bolts, and hang the divider. Simple as that!

## OPTIONAL RAPID AIR LIFT

Raise and lower your dividers from the convenience of the cab!
